20cm sensor mirror pro, wide-view sensor mirror pro
ST3007, ST3014

dual magnification

5x magnification — view your entire face at once in exceptional detail.

10x magnification — extremely close-up view for detail work like tweezing and applying eye makeup.

tru lux light system

Under the wrong lighting, makeup colours can fool you. Our tru-lux light system simulates natural sunlight for the brightest, most colour-correct view.

adjustable colour temperature

Capable of over 50,000 colour variations, choose presets or use the phone app to capture light settings from the environment around you and recreate them in the mirror.

motion sensor

Detects when you are in front of the mirror so it lights up automatically as your face approaches. Once in use, the sensitivity of the sensor increases so it won't turn off unexpectedly.

go cord free!

The mirror is rechargeable and can be used without a cord for up to 3 weeks on a single charge.

wifi-enabled

Use the app to enable the mirror's smart features.

45L semi-round sensor bin, rose gold
ST2012

Our touch-free semi-round sensor bin opens automatically with just a wave of your hand so throwing rubbish away is quick, efficient and hassle-free. It has a motion sensor that adapts to your tasks – when the lid is closed, the sensor range is short and focused – no false triggers. When open, the sensor expands to the area in front of the bin, so the lid won't close until you are finished. This bin also features our innovative 'liner pocket,' which stores and dispenses liners from inside the bin for a faster liner change. The stainless steel liner rim lifts up for easy access to the liner, then closes to grip and keep it neatly out of sight.

45L semi-round pedal bin
CW2030

Our new semi-round pedal bin's space-efficient shape makes it an ideal choice for busy areas around the home. The stainless steel liner rim grips the liner and keeps it hidden. And with no inner bucket, there's more space for waste. The strong steel pedal is built to last, and lid shox technology ensures a smooth, silent close every time.

45L slim pedal bin
CW2044

Our stainless steel slim pedal bin is a space-efficient shape that fits perfectly in tight spots, like between cabinets. The liner rim lifts up for easy access to the liner, then closes to grip and keep it neatly out of sight. The strong steel pedal is built to last, and lid shox technology ensures a smooth, silent close every time.

rectangular pedal bin with liner pocket
CW2032, CW2033, CW2034, CW2035 (dual compartment)

Our new rectangular pedal bins feature an innovative 'liner pocket' that stores and dispenses liners from inside the bin for a faster liner change. The stainless steel liner rim grips the liner and keeps it hidden. And with no inner bucket, there's more space for rubbish. Their strong, wide, steel pedal is designed to last, and our patented lid shox technology ensures a smooth, silent close every time.

tension arm kitchen roll holder, rose gold
KT1178

Whether it's a brand new roll or you're down to the last sheet, our tension arm kitchen roll holder gently holds the roll in place so you can tear off one sheet at a time with just one hand. It is engineered with a durable stainless steel rod and a weighted stainless steel base to keep the holder steady.

1.5L tabletop bin, rose gold
CW1644

Our fingerprint-proof tabletop bin offers big convenience in a tiny package. The balanced swing lid opens easily and then gently swings back into place; it also lifts off easily to quickly empty the contents. The smooth, easy-to-clean interior allows you to use this can with or without a liner.

foam cartridge sensor pump ST1038

Our foam cartridge sensor pump is the most luxurious way to wash your hands, and it's touch-free so no germs or smudges are left behind. Triggered by our fast and precise motion sensor, the aerating diaphragm pump delivers just the right amount of rich, creamy pre-lathered foam. Refills are easy — just eject the old cartridge and insert a new one. The pump is rechargeable — one charge lasts up to 3 months. Lavender foam hand soap cartridge included. Works exclusively with foam soap cartridges from simplehuman.

foam soap cartridges

Our new foam soap is rich and creamy for a luxurious lathering experience. It is also biodegradable, hypoallergenic and contains no parabens or DEAs. Available in a range of moisturising hand soaps and dish soaps.

over the door shower caddy
BT1101

Organise shower clutter with our over door shower caddy. Installation is easy — just hook the adjustable hanger over the shower door and it automatically tightens for a secure grip. It has fully adjustable shelves that are easy to reposition with quick-adjust dials. An innovative divider and accessory hooks are designed to hold bulky modern tools like facial cleansing brushes and oversized razors. The quick-dry soap dish drains water completely so soap stays dry and lasts longer. Constructed from stainless steel and anodized aluminium so it is rust-proof and easy to clean.

spin cabinet
BT1096

Our aluminium spin cabinet has a rotating door that hides your shower essentials from view for a clean, modern, minimalist look. Solid materials and secure installation give this spin cabinet the feel of a built-in fixture. Circular shelves adjust up and down to accommodate oversized bottles, and rotate for easy access. It also lets you position the cabinet itself lower for easy access – very child friendly. Includes a quick-dry soap dish and storage wedge for bulky accessories like facial cleansing brushes and oversized razors. Made entirely from anodised aluminium, it's completely rust free and easy to clean.
